

Bespoke hosted training for your team

Bespoke training offers the opportunity for your department or multi-disciplinary team to access the course together. We can build the training course around your needs and tailor the course content as needed. The courses are based on our core Part 1,2 and 3 content or a hybrid model of online learning and workshops.

The training can be delivered face to face onsite or virtually

We will provide...

- A training team with hands-on practical experience to match the needs of your team
- Pre-course learning materials
- Comprehensive course booklet
- Workshops with a high level of facilitation to enable skills practice and individual feedback
- Certificate of Attendance

You will need to provide for onsite training...

- A main Training Room
- Rooms for workshops (this will depend on number of participants)
- Laptop and projector
- Flipchart and pens
- Refreshments

Customer requirements for virtual courses:

- Ensure all participants have access to a laptop or tablet

We can run any of our face to face courses onsite for a minimum of 6 and a maximum of 18 participants however, virtually there is more flexibility

If you would like to discuss your requirements please contact us at admin@bctonline.co.uk or
